

Worldwide Children's Eucharistic Holy Hour  
Catholic school children and all the children of the world  
*following 'the way' of the little shepherds of Fatima!*

"The proper meaning of catechesis, in fact, must be this: to bring the flame of Jesus' love, even if it is a small one, to the hearts of children, and through the children to their parents, thus reopening the places of faith of our time." Pope Benedict XVI  
BRESSANONE, Italy, AUG. 22, 2008

## Introduction

Dear Cardinals and Bishops:  
The Clergy, Catholic Educators, and Parents:  
hold the 'key' to open the door of a "New Springtime" for families

***At Fatima, the 'Angel of Peace; was sent as a "Tudor in Love"***

by our Blessed Mother to draw the little shepherds into the Eucharistic Presence of Jesus, to teach them how to *adore Jesus, how to pray, to make sacrifices for the conversion of the world*, and as a kind of prelude, to what the essence of her message would be."

***God is offended; we must do penance and change our lives.***

Lucia wrote from her memoirs,

"The words of the Angel were indelibly impressed upon our minds. They were like a light which made us understand who God is, how He loves us and desires to be loved, the value of sacrifice, and how pleasing it is to Him and how, on account of it, He grants the grace of conversion to sinners ..."

***The Worldwide Children and Youth Eucharistic Holy Hour is a***

***"call" to the world's*** clergy, catholic educators and parents to 'escort' the children of the world into their parish churches and chapels every first Friday of October, to spiritually unite the prayers of our world's Catholic school children and all the Catholic children of the world, as they are guided into the "school of the Immaculate Heart of Mary." It's 'easy and free'

During these tumultuous times in which we live, and with so many parents burdened with the anxiety of the material and temporal needs of their children, it's LOGICAL to send a 'CALL' to those who already have the ***daily care of the souls of our world's children.***

The Worldwide Children's Eucharistic Holy Hour, ***lends the opportunity to 'open a floodgate of graces and mercy' on our world***, as millions of children throughout the world gather into the Eucharistic Presence of Jesus, united in prayer as they 'console the Eucharistic Heart of Jesus', make reparation to His Most Sacred Heart as requested by the 'Angel of Peace' at Fatima, Portugal, and giving them the unprecedented opportunity to pray for the needs of their own family and all the families of the world.

It is ***EASY AND LOGISITCALLY POSSIBLE***, for clergy, school principals and teachers to walk their students to their parish churches and chapels. The children of the world are wounded, divorce, drugs, abuse, impurity and list goes on who is going to repair these wounded hearts. We must bring them into His Presence 'to be bathed in His love' because He alone can "fan the flame of faith in the souls of our world's children, and through the children to their parents, thus reopening the places of faith of our time." The fruit of this Eucharistic global event will be untold graces that will be shed upon the families of the world

### **DOMESTIC CHURCH ENTRUSTED TO THE PRAYERS OF CHILDREN**

In Pope John Paul II Christmas Letter to the world's children he said:  
My Dear Young Friends, It is to your prayers that I entrust the problems of your family and all the families of the world.  
We need a crusade to guide the children of the world into the presence of Jesus, rather than leaving them to the chance of finding the Blessed Sacrament while on earth, and leaving the terrible examples offered to them by drugs, television, film, and filthy magazines.

Please consider a request to your diocese for their participation and support of the Worldwide Children's Holy Hour,  
Always the first Friday in October of Jesus for the launching of a new and long awaited Springtime for our families and world.

The "Worldwide Children and Youth Eucharistic Holy Hour" will

Bring grace and help change the world, not with great words, not with great actions, but with great love, and a little child will lead them...

Our children will become holy and active evangelizers in their parishes, schools and families and possibly escape the consequences of a world gone mad.
